PIONEER AND TERRITORIAL GOLD COINS

Many gold coins from 25c to $50.00 gold pieces were coined in Carolina, Georgia, Colorado, Utah, Oregon and California. ALL of these coins are worth good premiums over and above their actual face value. Some are very valuable—listed up to $2,500.00 for a single coin.

AMERICAN COLONIAL COINS

Before the establishment of the U. S. mint, coins were issued in the various states—Massachusetts, Connecticut, Vermont, New Hampshire, New Jersey, New York. All of these are worth a premium. The most valuable one is the gold Doubloon of New York for which we will pay from $1,000.00 to $2,000.00.

Coins have been in use about 2,500 years. Naturally there are hundreds of thousands of different coins. Many are worth a great deal more than their face value. Besides their intrinsic values, they are of great historical interest and value. We buy all RARE coins and pay the highest market prices for them. But due to the large extent of our correspondence, we cannot reply to any inquiries unless a stamped, self-addressed envelope is inclosed for reply.
